

GET READY TO MAKE THE FUTURE BRIGHTER FOR THOUSANDS OF NEW ZEALAND CHILDREN!

Leading this campaign at your school won't just help kids at Starship who rely on Starship's care. It will give you awesome leadership and teamwork skills. It's super fun, too!

What can you do?

- First, start a fundraising page at bakeitbetter.org.nz so anyone can donate.
- Get your friends together and make a Bake it Better Committee, assigning jobs like head accountant, lead baker & communications manager.
- Plan your event – organise one big bake sale, or hold a class/house fundraising competition
- Have a Bake it Better for Starship muffin day.
- Encourage the food tech teacher & class to help you out by baking one of our yummy online recipes and selling them at lunch time.
- Challenge your students and parents to create healthy alternatives to traditional sweet and savoury treats

Spread the word

- Share your fundraising page on your school's Facebook page, so everyone knows you're on board
- Share your bake sale plans in the school notices/newsletter
- Talk about Bake it Better and Starship in assembly, encouraging your classmates to get behind you
- Share your journey on Instagram. Tag us at @starshipfoundation
- Print off the posters in the resources section of bakeitbetter.co.nz and put them up around the school

Parents & teachers

- Get your Parent's Association members to sponsor your school's fundraising page directly, help you with baking, or even sell baking at their own work to support you
- Encourage your classmates to ask their parents for support too.
- Ask your parents to spread the word about your school's efforts via their workplace, sports clubs, social gatherings, or community groups

TIME TO GET THE PIN ROLLING! START A FUNDRAISING PAGE AT BAKEITBETTER.ORG.NZ RIGHT NOW. IT ONLY TAKES A FEW MINUTES, AND YOU'LL BE ON YOUR WAY TO MAKING A BIG DIFFERENCE IN THE LIVES OF STARSHIP CHILDREN.
