

STARSHIP CHRISTMAS GIFT WISH LIST

Thank you for helping bring some Christmas joy to Starship patients with your donations! We are so appreciative of your kindness and generosity.

As the gifts will be given to children in hospital, there are strict hygiene and safety criteria:

- New toys only please. We cannot accept used or preloved toys.
- No toys with button batteries (please check any electronic toys that light up, make music or use remotes that they do not include button batteries).
- No toys with magnets or magnetic sets like bucky balls.

50% of children in Starship are under 2 years old, so we need lots of toys for little ones. However, each year we are short of gifts for older children and teenagers, Starship cares for them too!

Gift delivery/postage details:

**Starship Foundation, 111 Grafton Road,
Grafton, Auckland 1010**
