

Do you have a child with **Cerebral Palsy** in your whānau born in or after 2008 in New Zealand?

Have you completed the nationwide survey yet?

It will take less than **15 minutes...**but the information will help us understand the family experience of **receiving a diagnosis of cerebral palsy** and the **journey of early management** of health service delivery across New Zealand.

We want to hear your opinion about:

- The diagnosis experience
 - The support and service you received
 - What improvements can be made
-

Help us in our aim to improve health service delivery in the diagnosis and care of cerebral palsy across NZ.

Haven't received the survey?

Email us, scan the QR code, or type the survey link into your web browser
