

He inu mäu?

He mahi mämä te mahi inu wera, engari he mahi mörearea hoki.

Ko te inu wera te take mätämua i wera ai te hunga tamariki ake i te 5 tau, i haria ai ränei ki te höhipera.

He rongo pai:Ka taea te weranga i te inu wera te kaupare atu.

He körero pono

He rite te wera o te inu wera ki te wera o te ahi.

Ka wera tonu te tamaiti i te inu wera 15 mineti i muri o te mahinga mai.

He rite te inu wera ka maringi ki runga i te köhungahunga ki te päkete wai koropupü ka ringihia ki runga i te pakeke.

He angiangi ake te kiri tamariki i te kiri pakeke, nö reira ka tere ake, ka höhonu ake te wera o te kiri tamariki i te wai wera, ka mutu me hahaka noa te pämahana e wera ai.

E auau ana te weranga o te tamariki i te wai wera:

- ina kumea, ina kapohia e ia te inu wera i tētahi mata, i te pakeke ränei.
- ina tütuki te waewae o te pakeke i a ia e hiki ana i te tamariki, e pātata ana ränei ki te tamariki me te kawē i tētahi inu wera.
- ina tuki atu te tamariki ki te pakeke e pupuri ana i tētahi inu wera.
- ina maringi te inu wera a tētahi i te hoatutanga ki tētahi atu i runga ake i te tamariki.

Ki te kino te wera o te tamariki tērā tonu ka pokaina, ka rongoā motuhaketia, ko tētahi tokomaha nei ka rongo i ngā hua kino o te kutiwera ä mate noa rätou.
