

Patient Safety Culture Survey 2016

Thank you for your participation

266 responses received

Summary Results:

Green indicates positive characteristics. What we want more of.
Red indicates areas that we need to work on and do better

Results will be discussed at an upcoming Starship Paediatric Update. Be sure to attend!

For the most part we do a good job regarding patient safety. We have a developing safety program which has led to some changes and improvements...

Staff need to be recognised positively rather than rebuked when they take time to ensure patient safety.
