

Shared Care Portal

If your patient has a shared care record, this will be visible on the front page of Concerto – as below.

The screenshot displays the 'Patient Summary' page in the Concerto system. At the top, a red arrow points to a green 'S' icon in the toolbar, labeled 'Shared Care Icon'. The page is divided into several sections:

- Patient Demographics:** Includes fields for Patient ID (SRG4564 - Heddenick, Timothy Scott Master), Gender (Male), Date of Birth (22/02/2007), Age (11 years 7 months), Home Address (490 Matata Road, Rd 3, Whakatane, 3193, New Zealand), Phone Number (073222511), Mobile Number (0272622366), Spoken Language, Religion (New Zealand European), Ethnicity, and Email Address (tony.fyrd@dra.co.nz).
- Minor NHF Numbers:** Shows 'None'.
- Patient Contacts:** A table listing contacts with columns for Name, Relationship, Address, and Phone.

Name	Relationship	Address	Phone
Lyndal Kennedy	Mother	490 Edgecumbe Matata Highway, R D 3, Whakatane	073222511
Tony Heddenick	Father	490 Edgecumbe Matata Highway, R D 3, Whakatane	073222511
- NHF Medical Warnings:** A table with columns for Severity, Entry Time, Onset Date, and Description.

Severity	Entry Time	Onset Date	Description
Warning	30/8/2012	30/8/2012	Check for Hypoglycaemia on presentation especially if prolonged fast
Warning	20/6/2011	20/6/2011	Paraplegic @ risk of Autonomic Dysreflexia High BP SEE NOTES VOL 4
Warning	20/6/2011	20/6/2011	as per above alert-relieved by relieving cause e.g full bladder
- Alerts and Allergies:** Lists 'ACC Treatment Injury'.
- Shared Care Record:** A notification at the bottom states 'A shared care record is available for this patient' with a 'View' button. A red arrow points to this button, labeled 'Shared care record'.
- Pathway Search:** A section indicating 'This patient is not registered on any pathways within Concerto'.

To use the shared care portal, you will need to register.

To register – contact sharedcare.generic@healthalliance.co.nz, you will then be issued a login and password.

For further information on using the Shared Care Portal, see the following link
